Career Goals

A motivated Software Engineering (Hons) student seeking a **24-week internship** from **9 March to 23 August 2026**, with a Strong foundation in programming, web development, and database systems, with hands-on experience through academic and project-based work. Demonstrated strengths in analytical problem-solving, teamwork, and adaptability, with a strong commitment to continuous learning and professional development.

Education

Universiti Sains Malaysia (USM) **2023 - Present**
Bachelor of Software Engineering with Honours
CGPA: 3.23
Relevant courses: Foundation of Software Engineering, Software Architecture and Design, Integrated Software Development

UiTM Dengkil **2022 - 2023**
Foundation in Engineering
CGPA: 3.92

Key Skills

Programming language: C++,C, Java, Python, Javascript, SQL, HTML/CSS
Frontend: ReactJS, TailwindCSS
Backend: Node.js, REST APIs
Database: MySQL, PostgreSQL
Tools: Git/GitHub, VS Code, Oracle,Canva, Capcut

Projects

Tourism Penang Project File

- Developed an interactive tourism website featuring comprehensive Penang attractions using ReactJS, Vite, and Tailwind CSS
- Designed and implemented modular, component-based architecture with mobile-first responsive design, an optimal user experience across multiple devices
- Optimized frontend assets, UI interactions, and navigation flows to improve perceived loading performance and deliver a smooth, intuitive user experience

Readify Project File

- Built a full-stack e-commerce inventory system enabling users to browse, search, and purchase books through a user-friendly interface
- Designed and implemented a relational database schema to efficiently manage inventory records, user profiles, and transaction histories
- Developed CRUD functionalities for administrative dashboards, supporting stock management, order processing, and data updates.

Leadership Experiences

Majlis Penghuni Desasiswa Indah Kembara

Programme Director:

Treasurer of Sukan Antara Desasiswa (SUKAD) 2024/2025 **Oct 2023 – Oct 2024**

- Directed the end-to-end project lifecycle, ensuring all deliverables aligned with strategic objectives and were completed within strict timelines
- Led cross-functional teams, optimizing workflows and communications to streamline progress tracking
- Managed operational risks and maintained comprehensive project documentation, supporting consistent execution and successful project outcomes.

Deputy Programme Director:

Treasurer of Sukan Antara Desasiswa (SUKAD) 2024/2025 **Jun 2023 - Aug 2023**

- Developed operational frameworks, including program structures and schedules, to support effective strategic planning and execution
- Supervised and coordinated a 120 member team during large-scale initiatives, ensuring efficient operations and achievement of program objectives
